

## Marriage & Family Conference

January 11-13

### Greetings!

You will be staying in one of our two Hotel Style lodges. Each couple will have a private room that has a private bathroom in each room. The only real difference between a Kenbrook room and a hotel room is that we don't have television in the room. We find that participants are more engaged with one another, the topic and nature if we remove that element.

For this event (This Is Us – 2019 Marriage Conference) you can plan on each room having your necessary linens (pillows, pillow cases, sheets, comforter and spare blankets) as well as the bathroom having a hand towel, water cups, soap, shower towel, wash cloth and shower mat. We do this to serve you by limiting what you need to bring.

Each room has a desk, high back chair and dresser for any personal belonging that you may bring with you. Each room has a separate key, which you will be provided with, should you bring valuables or medication that need to stay locked up.

Our rooms do not have individual coffee makers or refrigerators. However, you can find these centrally located to your room for all guests.

You may want to bring something to keep notes on (iPad, notebook, etc) as well as your Bible for the session times. Kenbrook has assorted options like hiking trails and a gymnasium so you will want to be prepared with some comfortable clothing and shoes so that you can participate in various things or during free times that are built into the schedule.

You'll notice on the schedule that we have optional campfires planned. Please bring coats, winter hats and gloves in order to be comfortable outside. You may have to walk between buildings to get to our dining room.

Please do not bring illegal drugs, alcohol, knives or firearms. If you smoke, a designated smoking area (outside of the building) will be pointed out to you. If you have any questions prior to arrival please don't hesitate to call us at (717) 865-4547 to get an answer.

**We're looking forward to having you at Kenbrook!**
