

Confidential Scholarship Request

for

Kenbrook Bible Camp

Kenbrook has limited funds set aside each year for summer camp and trip scholarships. The funds for scholarships come from donations from churches, individuals, organizations and our annual golf outing.

Please read the following before applying for a Kenbrook scholarship:

- The Scholarship Program is designed for individuals and is not available for groups or churches.
- Each scholarship application will not be reviewed unless a completed registration and the required deposit is received.
- Campers who have never received a scholarship from Kenbrook will be given priority over those who have previously received scholarships.
- It is the intent of the Scholarship Program to be a cooperative effort between the applicant, the home/sponsoring church or organization, and Kenbrook. We ask for financial participation from both the applicant and the local church. However, if you do not have a local church, it does not necessarily disqualify you from a scholarship.
- If you do not attend a church that will provide funds, you can still apply for a scholarship. However, without a church or organization scholarship the Kenbrook scholarship may not be as much as it would be with them.
- The Executive Director will review all applications and award scholarships. Scholarships will be awarded based on the individual need as stated in the application and by information received from the applicant's references and partnering church.
- Scholarships will not be granted until all requested information is received. A completed application does not guarantee program registration or a scholarship award.
- Applications will be processed in the order in which they are received and scholarships will be awarded based on space and funds available. Applicants will be responsible for any remaining balance not covered by scholarships
